Item # 1555
CIRCLE CHESS
 ZX-81 16K RAM (cas)
 TS-2068 (cas)
 Game

A special and unique form of the chess game. The playing board is made up of 3 different kinds of spaces: 9 hexagons, 30 triangles, & 38 rectangles for a total of 77 spaces. The paths used are: a straight line and a circle. The game is complete on tape, but is also available in box form separately (extra) for playing when you are not at your computer.

Item # 1557
Z-LINK Interface Card
 TS-2068 Emulator \$49.95

Interface
 With this interface you are able to use the Sinclair Interface-1 with built-in RS-232 & L.A.N. and operate up to 8 ZX-Microdrives. Also run the Rotronics Wafadrives Run most Spectrum peripherals and hardware. Depending on the "type" of peripheral you wish to RUN determines the type of Emulator or firmware you will be required to run on your TS-2068. Write for details on what is compatible with what peripheral you intend to use.

 Canada \$10.00. Normally ship UPS.

Item # 1558
Stringy Floppy Model 1000 Starter Kit by A & J Micro Drive
 ZX-81 \$169.95

Interface/Mass storage
 Data transfer (load & save) is 30 times faster than a cassette with no sensitive volume controls, no rewinding or buttons to push, up to 127 files per tape, compatible with other peripherals, plugs into expansion port, automatic verify with save, file directory. These are just some of the advantages you get with the system. Separate power supply, so will not drain the ZX-81. Continuous loop cartridge (Micro Wafer I). Store up to 70K bytes on 50 foot wafer. Complete with Interface, Drive 0, cables, power supply, manual, Operating system, 5 Micro Wafers (one each length) & Wafer Organizer. Plug it together & RUN

Item # 1559
Model 1000 Interface
 ZX-81 \$79.50
 Interface
 This is the interface only and it is included in the starter kit above.

Item # 1560
Model 1000 Stringy Floppy Drive 0
 ZX-81 & Micro D. Interface \$99.50
 Mass storage
 This is the first drive only and it is included with the starter kit above.

Item # 1561
Model 1000 Stringy Floppy Drive 1
 ZX-81, MD I/F & Drive 0 \$99.50
 Mass storage
 Want to add more storage power? Then this is the drive to order to expand your unit. Requires the Drive 0 & Interface.

Item # 1562
Owner's Manual for Model 1000 Stringy Floppy by A&J Micro Drive
 \$4.95
 Book
 This is included in the starter kit above.
